CIV 23-419-JFH

APPEAL ON MATTERS OF FEDERAL LAW AS TO THE OVERREACH OF  
STATE COURTS

COMPLAINT  
=====

Appellants are residents of Wagoner County, City of Broken Arrow, Oklahoma, Citizens of the United States and entitled to the protections of the U.S. Constitution. Appellants have been locked in battle, not with Appellees, but with the State Courts. The State Courts operating under color of State Law have absolutely refused to honor Citizen Constitutional rights in their decision making process.

INTRODUCTORY STATEMENT  
=====

1. Appellants over a period of six years in dealing with the trial court, appellant court, and state supreme court, not a clerk nor a judge has suggested that the matter should go to trial in accordance with the seventh amendment.
2. The state courts have introduced summary judgment, counter claims, attorney fees, gag orders, immunity, items not covered in the Constitution.

3. The use of counter claims and attorneys fees are being used to deny Appellants first amendment rights. The courts have ruled under the fifth amendment a citizen cannot be punished for the use of the protections afforded to a citizen under the Constitution.
4. There are only two places in the amendments where compensation is provided, first amendment provides for redress and the fifth amendment provides for compensation if something is taken from a citizen.
5. The thirteenth amendment prohibits conspiracy to interfere with the exercise of the enjoyment of Constitutional rights, prohibits the holding of a person in a condition of involuntary servitude. Involuntary servitude means a condition of servitude in which the victim is forced to work for the defendant by the use or threat of physical restraint or physical injury, or the use or threat of coercion through law or the legal process.
6. The Oklahoma Constitution states that the actual law of the land is the U. S. Constitution, yet the state courts have refused to honor the U. S. Constitution.
7. The Oklahoma Bar Asso. has stated that a jury trial is required for due process.
8. No State shall make or enforce any law which shall abridge the privileges or immunities of citizens of the United States; nor shall any State deprive any person of life, liberty, or property, without due process of law; nor deny to any person within its jurisdiction the equal protection on the laws. Fourteenth Amendment
9. Thirteenth Amendment, peonage has been ruled to be unconstitutional by the U.S. Supreme Court.
10. The fifth amendment provides for fair procedures and protection of fundamental rights. Other protections are also provided

11. In Trop v Dulles the U.S. Supreme Court held that the use of denationalization (the deprivation of citizenship) as a punishment is barred by the Eight Amendment. The court reasoned that when someone is denationalized, there is the total destruction of the individuals status in organized society. It destroys the individuals political existence that was centuries in development.

### **CITIZENSHIP HAS BEEN DENIED TO APPELLANTS**

12. Appellants received instructions from the Supreme Court, appellants followed the instructions provided by the court only to have the Court ignore its own instruction. The courts of the state ignored statutory law, case law, and Constitutional law in addition to the instruction given to appellants.
13. All courts of the state favored arbitrary and capricious decisions.
14. The courts of the state hated Pro Se litigants.
15. Courts of the state ignored all pleadings from this Pro Se citizen.
16. Courts had no respect for Appellants as citizens of the state and country.
17. Trial court stated that constitutional rights had no place in court.

### **PARTIES, JURISDICTION AND VENUE**

18. The causes of action in this matter are based on violations of Appellants rights under the Bill of Rights, amendments 13 and 14 of the U.S. Constitution and Appellants right for redress under 42 USC 1983.

**ABUSE OF PROCESS, OBSTRUCTION OF JUSTICE**

---

19. Order from the Supreme Court filed 12/04/23 named judges, KAUGER, WINCHESTER, EDMONDSON, COMBS, GURICH, DARBY and KUEHN.
20. CONCUR IN PART/DISSENT IN PART: KANE, C.J., and ROWE, V.C.J. ROWE, V.C.J., with whom, Kane, C.J., joins concurring in part and dissenting in part.
21. Trial court judge KIRKLEY
22. All of the above named judges are citizens of the State of Oklahoma.

**VIOLATION OF FEDERAL STATUTORY INSTRUCTION**

---

23. 42 U.S.C. 1988 is one of the statutes requiring state courts to modify common law in order to protect citizen civil rights.
24. RICO and Clayton act are two of sixty acts by congress to encourage citizen participation in the judicial process.
25. The U.S. Supreme Court has instructed state courts to use Federal statutes where necessary to protect citizens rights.
26. Fed. Rule Civ. Pro. 8(a)(2), indicates that a basic objective of the rules is to avoid civil cases turning on technicalities.
27. Oklahoma strongly adheres to the American Rule that prevailing-party attorney fees are not recoverable in the absence of a statute or enforceable contract. *Morgan v Galilean Health Enter., Inc* In *Sisney v Smalley* the court reversed a reward of attorney fees where counterclaims asserted, it was held that there was no statutory authority for fees.

**CIVIL RIGHTS INCLUDE THE ENSURING OF PEOPLES PHYSICAL  
AND MENTAL INTEGRITY, LIFE AND SAFETY**

---

28. The jurisdiction of this Court is invoked pursuant to 28 U.S.C. 1343 to secure protection of and redress deprivations of rights secured by the Bill of Rights and amendments thirteen and fourteen of the United States Constitution as enforced by 42 U.S.C. 1983, which provides for the protection of all persons in their civil rights and the redress of deprivation of rights under color of law.

29. The jurisdiction of this Court is also invoked under 28 U.S.C. 1331 to resolve a controversy arising under the Constitution and laws of the United States, particularly the Bill of Rights, amendments thirteen and fourteen of the U.S. Constitution and 42 U.S.C. 1983.

30. This Court has supplemental jurisdiction over the state law claims asserted herein pursuant to 28 U.S.C. 1367, since the claims form part of the same controversy arising under the United States Constitution and federal law.

31. Venue is proper under 28 U.S.C. 1391(b) because a substantial part of the events or omissions giving rise to Appellants claims occurred in this District.

**STATEMENT OF FACTS**

---

32. Received order from the Supreme Court dated 12/04/23 denying Certiorari, denied Attorney fee claim and granted Attorney fee claim based on a State case law ruling. State judges cannot rewrite State statutory laws or State established policy.

33. The denial of Certiorari let stand a counter claim award of 80,000 dollars against Appellants for using Appellants First amendment rights. Such a claim is not in the Constitution and therefore is unconstitutional and is being abused in its use.

34. The judge of the court that awarded the award never stated how he arrived at the amount as the illegal business has never made that must money.

35. The Covid-Virus had more to do with the loss of business, if any as the fiberglass shop has no employees. And its main function is to pollute denying Appellants the use of their property.

### **CAUSES OF ACTION**

36. Appellants have been denied their Constitutionally Protected Guaranteed rights as citizens of the United States. Congress made that a crime under section nine.

37. The purpose of the first amendment redress clause is to guarantee that all government must answer to the citizen. There is no immunity provided.

38. At the time of complained events Appellants were free persons, had a clearly established Constitutional right under the above mention amendments to expect the State courts to honor those rights.

39. The State courts allowed attorneys to take the action away from the Petition as filed with the trial court and deny Appellants there seventh amendment right to a jury trial and move the action to an unconstitutional fifth amendment taking through the unconstitutional use of summary judgment.

40. The above named judges exercise an arbitrary and capricious set of rules that are so onerous or burdensome that they effected an uncompensated taking of property.

41. As a direct proximate result of the unlawful conduct of the State court judges failure to honor Appellants U.S. Constitutional rights and the rights guaranteed by the Oklahoma State Constitution, Appellants have suffered, mental and physical pain and suffering and other damages and losses caused directly by the unlawful conduct.

42. Appellants are entitled to damages on claims brought pursuant to 42 U.S.C. 1983 as the State court judges conduct, acts and omissions alleged herein constitute reckless or callous indifference to Appellants federally protected rights.

43. The United States Supreme Court has ruled that employees must be trained in the Constitutional requirements in order to avoid violations.

44. The inadequate training demonstrates a deliberate indifference on the part of the State Court judges toward persons with whom officials come into contact and there is a direct causal link between the constitutional deprivation and the inadequate training.

#### **PRAYER FOR RELIEF**

---

45. Appellant prays that this court will not leave the U.S. Constitution burning on the steps of the state courts. We the people only have two places in which to exercise citizen Constitutional authority, the voting box and trial by jury, as the courts are not friendly to a Pro Se citizen litigant Appellant prays that this court find the courage to stand with the Constitution of the United States. Declare summary judge, counter claims, attorney fees, gag orders, qualified immunity, judicial immunity as unconstitutional Return the legal process to the simple and fair procedures required by the fifth amendment and equal treatment under the law as required by the fourteenth amendment.

Put a stop to the practice of attorneys using summary judgment and attorneys fee awards to force a Citizen litigant into the bankruptcy courts. Stop the practice of judges picking winners and losers against reason and evidence. Stop the practice of judges giving awards that are not in the Constitution. The only justifiable awards are covered in the first and fifth amendment of the U.S. Constitution. Stop the injustice of the courts punishing a Citizen for the use of their Constitutional Authority. Issue a Stay of Proceeding.

Respectfully Submitted,

Harold Price, Appellant Po Se

JOHN D. HADDEN  
CLERK

THE CLERK IS DIRECTED TO ENTER THE FOLLOWING ORDER OF THE COURT:

118,429 - Harold Price et al. v. LaFaver Fiberglass Corp. et al.

The Court notes the absence of an appealable order attached to appellants' petition in error. An order titled "Court Minute" is not a judgment, decree, or appealable order for the purpose of starting the time to appeal. To commence an appeal from an order of the district court, appellants must attach a final, memorialized order in proper form prepared in conformance with 12 O.S. § 696.3. See also 12 O.S. § 696.2(D); *Corbit v. Williams*, 1995 OK 53, ¶ 9, 897 P.2d 1129, 1131; *Mansell v. City of Lawton*, 1994 OK 75, ¶ 3, 877 P.2d 1120, 1121.

For this appeal to proceed, appellants must obtain an Order signed by the trial judge, memorializing the trial court's ruling of November 12, 2019 that sustained the defendants' motion for summary judgment. Appellants must file the Order in the trial court in Wagoner County, and then obtain a certified copy of the Order.

Appellants are directed to file, **no later than December 5, 2019**, an amended petition in error—with a signed and certified copy of a final order in appealable form—or this appeal may be dismissed as premature pursuant to 12 O.S. § 990A(F) and Oklahoma Supreme Court Rule 1.26.

Appellees shall file their response no later than 20 days after the filing of the amended petition in error.
